

ID: boss

**Textual Workflow Description:** Craft a message acknowledging Martina's exceptional contributions to the realm of data analysis. This message should be dispatched to nick.reiter@hotmail.de. In the event of a transmission failure, save the message on the local machine under the name 'thanks' and terminate the procedure if unsuccessful.

**Workflow Representation in BPMN and Text**

Required iterations: 1

craft message acknowledging Martina's contributions -> send message to nick.reiter@hotmail.de  
save message on local machine as 'thanks' -> End  
-> craft message acknowledging Martina's contributions  
send message to nick.reiter@hotmail.de -> EXCLUSIVE: transmission successful  
EXCLUSIVE: transmission successful -> save message on local machine as 'thanks' [condition='transmission failed']  
& End [condition='transmission successful']
