

ID: bank_statement

Textual Workflow Description: Fetch the financial statement for the user identified by 2554727. If the account balance exceeds 1000 Euros, draft a message confirming sufficient assets and dispatch it to the user's email address. Conversely, if the balance is below 1000 Euros, create a message indicating insufficient assets and send it via email.

Workflow Representation in BPMN and Text

Required iterations: 1

send insufficient assets message via email -> End
draft message confirming sufficient assets -> dispatch sufficient assets message via email
-> fetch financial statement for user 2554727
EXCLUSIVE: balance check -> draft message confirming sufficient assets [condition='balance > 1000 Euros']
& create message indicating insufficient assets [condition='balance <= 1000 Euros']
dispatch sufficient assets message via email -> End
fetch financial statement for user 2554727 -> EXCLUSIVE: balance check
create message indicating insufficient assets -> send insufficient assets message via email
