

ID: negative\_historical

**Textual Workflow Description:** In the year 1492, Christopher Columbus embarked on a voyage from the Kingdom of Spain. His expedition led him to the New World, specifically making landfall on an island within the Bahamian archipelago. In the ensuing years, he undertook three additional journeys, charting portions of Central and South American territories.

**Workflow Representation in BPMN and Text**

Required iterations: None

ModellingError: Given textual workflow is not a business/IT process

**Execution of the Workflow in Text**
