

ID: creative

Textual Workflow Description: Compose a narrative featuring Larry the locust navigating through the ocean's expanse. Subsequently, transmit the text to nick.reiter@hotmail.de. Beneath, convert the text into an audio recording, and deliver it as an appendix to the same email. Lastly, render the text into a visual representation and include it also in an email.

Workflow Representation in BPMN and Text

Required iterations: None

ModellingError: Given textual workflow is not a business/IT process

Execution of the Workflow in Text
